KIDS' WINTER CLOTHING & GEAR EXCHANGE

Hand-me-forwards for a better future!

More than 15 million tons of used textile waste is generated each year in the United States, and the amount has doubled over the last 20 years. An average American throws away approximately 80 pounds of used clothing per person per year. On average, nationally, it costs cities \$45 per ton to dispose of old clothing. Let's share our resources and reduce textile waste...

Now until November 6th: Drop your *gently used* winter clothing and snow gear by size in the front entrance to school.

November 6th 7:30 - 4:00: Join us in the MAC to "shop" for winter gear in your kids' sizes.

November 6th 7:30 - 9:00 AM: Enjoy coffee, donuts, and conversation with fellow parents while you shop!

All unclaimed items will be donated to *Esperanza Family Shelter*

Want to help setup and breakdown? Talk to your room parent or email pa@riograndeschool.org
